ELDERBERRY ZA PIPING

Pipe export enquiry checklist

What to include so we can confirm availability, freight and a delivery date in one pass.

1. Product and specification

- [ ] Pipe type: HDPE PE100, spiral, steel or PVC
- [ ] Diameter (OD for HDPE/PVC, DN for steel) and wall thickness, SDR or schedule
- [ ] Pressure class or rating: PN, class or working pressure
- [ ] Length per pipe and total quantity (metres or pieces)
- [ ] Fittings, flanges, valves, couplings and accessories
- [ ] Coatings, linings, end finish (plain, bevelled, flanged, threaded)
- [ ] Applicable standard or project specification, if prescribed
- [ ] Certificates required: mill certificates, test reports, origin

2. Destination and delivery

- [ ] Destination country and the delivery city or project site
- [ ] Preferred delivery terms: delivered to site, to border/port, or ex works
- [ ] Required on-site date, and whether deliveries can be phased
- [ ] Site access limits: road condition, truck length, offloading equipment
- [ ] Consignee details and any import permit or inspection regime

3. Commercial

- [ ] Purpose: budget estimate, tender/firm quotation, or ready to order
- [ ] Tender or project reference and closing date
- [ ] Currency and payment preferences
- [ ] Documents you can share: BOQ, drawings, tender specification

4. Your details

- [ ] Name, company and role
- [ ] Email and phone / WhatsApp
- [ ] Best time to call, and time zone

Corridor quick reference

Market	Main corridors	Project hubs
DRC	Durban / North–South Corridor, Dar es Salaam Corridor	Lubumbashi, Kolwezi, Likasi
Zambia	Durban / North–South Corridor, Dar es Salaam Corridor	Lusaka, Ndola, Kitwe
Zimbabwe	Beitbridge / North–South Corridor, Beira Corridor	Harare, Bulawayo, Mutare
Mozambique	Maputo Corridor, Beira Corridor	Maputo, Matola, Beira
